National Landscape Nurserymen's Association
Connecticut Nurserymen's Association
New England Nurserymen's Association

TO THE TRADE

PRICES. Prices are F.O.B. our shipping points. Packing on stock shipped in bundles or crates is extra and is charged at cost. This list cancels all previous lists. Prices are subject to change without notice. 5 to 30 plants are sold at the 10 rate; 31 to 249 at the 100 rate; 250 and up at the 1,000 rate.

Orders are accepted on condition that they shall be void should stock become injured by frost or other causes beyond our control. We cannot be responsible for loss caused by damage or delay in transit. If such damage occurs, it must be reported and claim entered immediately with your local agent of the transportation company.

All agreements and contracts are subject to ability of shipper to obtain the necessary manpower to dig and pack material and to priorities on material and transportation which may limit, restrict or make impossible performance thereunder.

CLAIMS. Claims for error or shortage will be gladly corrected, but we must be notified within TEN DAYS after arrival of the stock. Such claims must be based upon an actual check of material at the time shipment arrives and not after it has been sold or lined out. Positively no claims will be allowed unless we are notified within 10 days of arrival of the shipment.

GUARANTEE. Prices do not include any guarantee of growth whatever, but we will give consideration to any just cause for complaint where the fault lies with us.

TERMS. All accounts are due and payable 30 days from date of invoice. Cash, security, or satisfactory Trade References will be required from unknown parties. Interest at 6% will be charged upon all past due accounts. Cash discounts: 2% 10 days from date of invoice.

LOCATION. Our nursery is located on the State Highway, Conn. Route 10, two miles south of Cheshire Green and 12 miles north of New Haven.
